Sidesaddle Shotshell Carrier for Remington 870
This sidesaddle mounts 6 extra rounds on your shotgun in a convenient, accessible location for fast reloading. The polymer shell carrier is attached to an aluminum mounting plate that installs directly on the shotgun receiver. All mounting screws are included. No gunsmithing is required. Installation is easy. No. 230018

Utility Sling
Tough 1” x 48” Cordura® nylon web sling with simple adjustment buckle. Mounts to gun with tight, quiet swivels.

Smart Messenger Delivery Book
2 compartments, slimline design makes it a perfect solution for your smart form needs. Self-locking. Recessed hinge. Pen tray. Made in U.S.A. 9½” x 12½” x 3¼” No. 291045

Model RLS Rapid Light System™
Includes Safariland LED Light
With the new Safariland Rapid Light System (RLS), you get a professional-quality hand-held light and gun-mounted light all in one. You can clip it onto your belt, hold it in your hand, or quickly mount it to your gun for an instant tactical advantage. There’s no need to buy an expensive holster to carry a light-mounted gun. No reason to carry a second primary light. You will always have a bright light whenever and wherever you need it. It’s the only light you need. Period. No. 294618: S&W, M&P

RLS Mount ONLY (without flashlight)
RLS mount will accommodate any hand-held compact light in the range of .970” (24.6mm) - 1.060” (26.9mm) in diameter No. 360539: S&W, M&P

Buttstock Ammunition Caddy
Nylon ammunition caddy, holds 5 rounds of 12 gauge shotgun shells. Lightweight. Installation is easy, simply slide over your gun, no hardware needed. No. 251200

**DynaMed® Gunshot Trauma Kit with Life-Saving QuikClot® ACS™**

A common frustration for law enforcement officers is waiting for medical personnel while a victim of violent crime bleeds to death in front of them. Now you can save lives with this handy kit. It features the newest medical breakthrough technology: QuikClot® ACS™, a granular material derived from minerals with 0% chance for allergic reaction. Sprinkle it on and blood clots very quickly, staunching severe blood loss and giving a patient who may have died in the field another chance. In use by the military, QuikClot® ACS™ is effective for self, wounded buddies or any victims. Long shelf life, single dose packets stow on your person and in your vehicle. Fits in BDU cargo pocket.

**Gunshot Trauma Kit Contents:**

1. QuikClot® ACS™ Single Dose (3½ oz)  
2. Blood Stopper  
3. EMT Shears  
4. Asherman Chest Seal  
5. Pairs of Nitrile Gloves
